

# Errata

## Publication I

The author of citation [2] is “Leon W. Couch, II”

## Publication II

The 3rd author of citation [6] is “Guido De Roeck”

## Publication IV

The published proceedings have some geometrical errors on page 992 (6th page of the article): Figures 7b and 7d have shifted edges, and the text below has extra line feeds at “...(larger with larger  $D$ ), and shows how large feature sets the majority voting method leads to.” and “( $AUC = 1$ )”.
