

Errata

Publication III

Page 103, Section 4: “Event A_4 ” is incorrectly referred to as “event B ” in line 20. The text should instead read as

“In the case of event A_4 , the system dynamics is ...”

Publication IV

Page 115, Section 3.2: Factor 2 is missing from the denominator of the second term in the mean conditional waiting time of Corollary 2. The correct form is

$$\mathbf{E}[W_2(s)] = \frac{k}{\lambda} \cdot \frac{\rho(s)}{1 - \rho(s)} + \frac{\mathbf{E}[D^2]}{2\mathbf{E}[D]} \cdot \frac{1 + \rho(s)}{1 - \rho(s)}.$$
