

ERRATA

Acknowledgements (page vii)

From the list of persons who commented on my study Leonardo Meeus and Georg Zachmann are missing. Apologies and sincere thanks to both.

Page 60, last paragraph

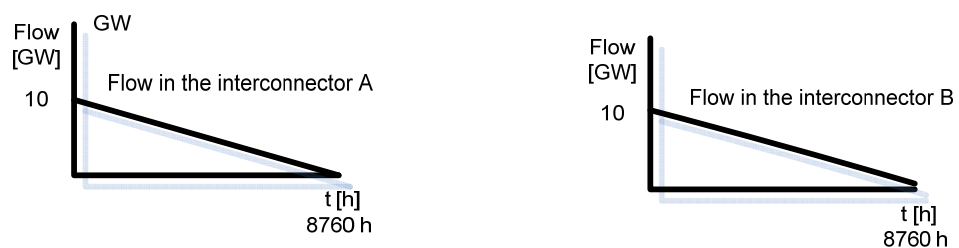

Denmark should be added as a country with several price zones.

Page 102, Figure 37

Portugal is not shown in the graph contrary to the text, Sweden is shown even if not mentioned in the text.

Page 109, Figure 39

In the small graphs showing the interconnector flows, the dimension is missing from the x-axis in Case 2. It should be the same as in Case 1 for both graphs, t(h)/8760h.

Page 122, Figure 41

The capacity increase of 600MW between Spain and Portugal in 2000 – 2010 is not shown in Figure 41. A green line corresponding a capacity increase >500MW shall be added (see the corrected version on the next page).

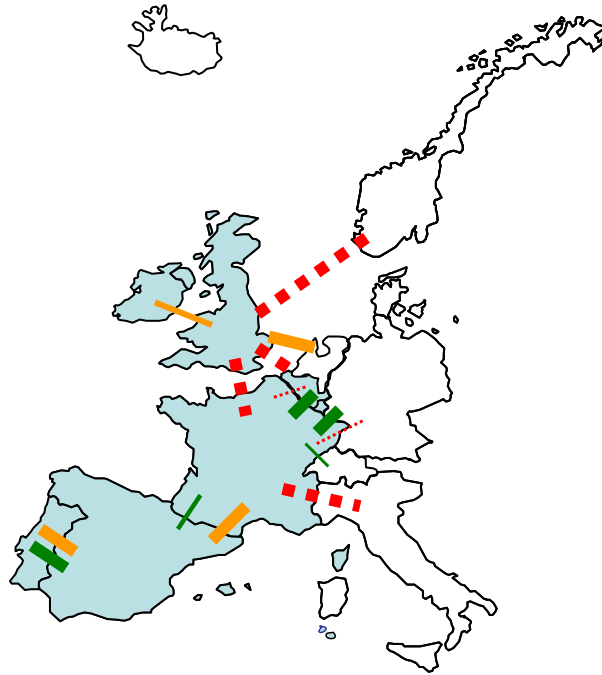

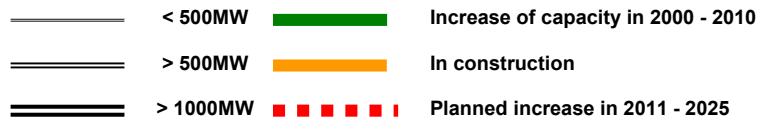

Figure 41 Western and South Western European interconnectors.
