

Errata

Publication IV

The phrase “various of metadata” in the Design Considerations section should be “various types of metadata”.

Publication V

In figure 3b, during the Commitment phase, the equation should be:

Abort if message 3a received at time $> t_{B,0} + \Delta_1$.

In section III, the Δ_1 is 200 ms, Δ_2 is 500 ms. No Δ_3 exists.

Citation [28] has incorrect publication year and venue. See citation [178] in this dissertation for the correct information.
