Errata

Publication IV

The phrase “various of metadata” in the Design Considerations section should be “various types of metadata”.

Publication V

In figure 3b, during the Commitment phase, the equation should be:
Abort if message 3a received at time $> t_{B,0} + \Delta_1$.

In section III, the $\Delta_1$ is 200 ms, $\Delta_2$ is 500 ms. No $\Delta_3$ exists.

Citation [28] has incorrect publication year and venue. See citation [178] in this dissertation for the correct information.
