Errata

Publication II

“MRC” in Figure 1 should read “Linear receiver”.

Publication III

Publication VIII

a) “log” in Proposition 4 should read “ln”. b) In Proposition 1, “such that \Delta(n > v_t) = \Delta_{\text{min}}” should read “such that \Delta(n) \leq \Delta_{\text{min}}, n > v_t”. c) Similarly, in the paragraph above (24), “the algorithm converges to \Delta_{\text{min}} if there exists an integer \( v_t > 0 \) such that \( \Delta(n) = \Delta_{\text{min}} \)” should read “the algorithm converges to \( \Delta_{\text{min}} \) if there exists an integer \( v_t > 0 \) such that \( \Delta(n) \leq \Delta_{\text{min}} \)”.
